KEY PRODUCT FEATURES AND BENEFITS

- All stainless construction for durability
- Great for applications where blended drinks are in high demand
- Designed to fit next to equipment with a single speed rail applied
- Convenient front mounted heavy duty shelf with access hole for electrical cord supports most modern commercial blenders
- Stainless steel legs install without tools and have rust free thermoplastic adjustable feet

Quick Features:

- Heavy duty deep drawn stainless sink bowl for long life of the equipment
- Various NSF listed faucet options available to fit your needs
- Sound deadening materials are applied for quiet operation

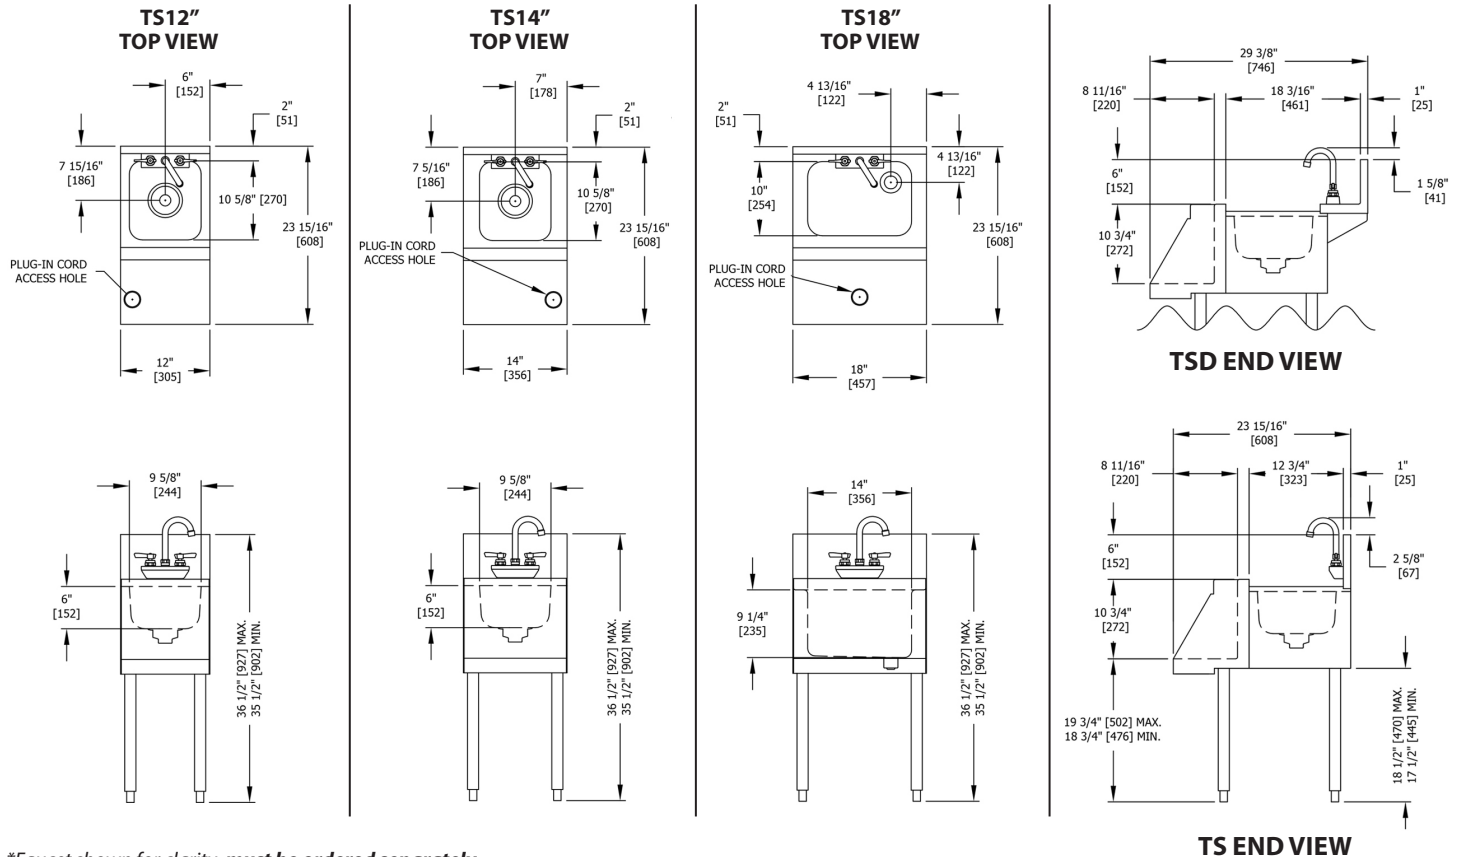

Form No. Z2809
Rev 02.23.22
