KEY PRODUCT FEATURES AND BENEFITS

- Cam lock assembly for easy, fast and simple to assemble and install keg coolers
- All steel construction for long life durability
- Four inch foam helps coolers stay cold in high ambient conditions
- Automatic door closers and durable cam-lift chrome hinges ensure door seals flush

Quick Features:

- Cage protected lights ensure safety while loading kegs
- 20-inch-long drain line provided to set up an access route for the evaporator condensate to drain preventing mold and bacteria
- Compact size requires minimum space
- Designed for draft beer keg storage
- Flush-mounted, self-closing door with cam-lift hinges
- Available in 4-keg and 10-keg sizes
